FOR RELEASE: Friday, November 17, 2006

**Jennifer J. Daniels Appointed to  
Hauptman-Woodward's Foundation Board**

Jennifer J. Daniels has been appointed to the Foundation Board at Hauptman-Woodward Medical Research Institute, Inc. (HWI).

Daniels is a senior associate with Blank Rome LLP. Her practice concentration lies mainly in health law and general corporate law, with an emphasis on representing pharmaceutical and other life sciences clients seeking counsel on both transactional and regulatory matters. Ms. Daniels is also a frequent speaker and author on compliance with privacy and security laws in the United States and abroad.

She holds several academic distinctions. She attended the University of Pennsylvania Law School where she received her juris doctorate, magna cum laude, and was the managing editor of the University of Pennsylvania Law Review. She graduated with a bachelor's degree in Political Science from the University of Rochester where she earned the highest distinction in Spanish, was an active member of Phi Beta Kappa and was awarded the James D. McGill Award for Highest Achievement in Political Science.

Daniels also has served on the Board of Directors of the Calcutta House in Philadelphia, Pennsylvania, a personal care home that provides supportive housing and care to adult men and women who have been diagnosed with AIDS.

She currently resides in Amherst, New York with her husband and children.

**About HWI**

Celebrating 50 years of exceptional crystallographic research, HWI is an independent, non-profit facility specializing in the fundamental biomedical research known as structural biology. Our team of more than 70 staff members is committed to improving human health by studying the causes of disease, as well as potential therapies, at their basic molecular level. We are located in the heart of the Buffalo Niagara Medical Campus in downtown Buffalo, NY, in a new state-of-the-art structural biology research center at 700 Ellicott Street. For more information, visit HWI's website at [www.hwi.buffalo.edu](http://www.hwi.buffalo.edu) or call 716-898-8600
