Donor Wall Unveiling in Buffalo's Most Beautiful Building

Please join us as we unveil the engraved glass donor wall which honors the generosity of the capital campaign donors who supported Hauptman Woodward's *Cures Begin Here Campaign 2002-2007*.

WHEN: Monday, May 5, 2008 at 5 p.m.

WHERE: Hauptman-Woodward Medical Research Institute
700 Ellicott Street, Buffalo, NY 14203

WHY: **A photo opportunity of the donors whose generous contributions helped make the dream of the construction of the Hauptman-Woodward Medical Research Institute a reality.**

WHAT: The unveiling of the engraved glass wall which acknowledges the generous support of Hauptman-Woodward's Capital Campaign donors.

WHO: Buffalo's only Nobel Laureate Dr. Herbert A. Hauptman, HWI scientists and staff, community leaders from local foundations and generous local philanthropists.

ABOUT HWI

With more than 50 years of exceptional scientific research, the Hauptman-Woodward Institute is an internationally-renowned independent, non-profit facility specializing in life-altering research. Our team of more than 75 members is committed to improving human health through the study of the causes of diseases, as well as potential therapies, at their fundamental molecular level. HWI is located in the heart of the Buffalo Niagara Medical Campus in downtown Buffalo, New York, in a new state-of-the-art structural biology research center at 700 Ellicott Street.
