HWI HIRES NEW PART-TIME EVENT COORDINATOR

Jill Szczesek has joined the Hauptman-Woodward Medical Research Institute as a part-time event coordinator. In her role as event coordinator, she will assist in planning the third annual Riedel Comparative Crystal Fundraiser in November and HWI’s participation in the Buffalo United Artists’ Gallery Walk in December. She also will help with other fundraising efforts.

Prior to joining HWI, Szczesek worked in higher education. Over the 10 years that she was in higher education, she worked at the Rochester Institute of Technology (RIT), the State University at Buffalo (UB) and Canisius College.

She received her bachelor’s degree from RIT and her master’s degree from Canisius College. Currently, she is in her last year of course work at UB where she is pursuing a Ph.D. in the Social Foundations of Education.

Szczesek resides in East Aurora, NY.

About HWI

With more than 50 years of exceptional scientific research, HWI is an internationally-renowned independent, non-profit facility specializing in the area of fundamental biomedical research known as structural biology. HWI’s team of more than 75 staff members is committed to improving human health by studying the causes of diseases, as well as potential therapies, at their basic molecular level. HWI is located in the heart of the Buffalo Niagara Medical Campus in downtown Buffalo, New York, in a new state-of-the-art structural biology research center at 700 Ellicott Street. For more information, visit HWI’s website at www.hwi.buffalo.edu or call 716-898-8600.
