NATHANIEL MICHALS JOINS THE HWI INFORMATION TECHNOLOGY TEAM

Nathaniel Michals has joined Hauptman-Woodward in the Information Technology department as a part-time junior systems administrator. He will primarily be working on computer troubleshooting and maintenance, and computer set-up. He will be assisting with computer-related requests.

Michals previously held positions Synergy Global Solutions, Circuit City and Northtown Automotive Companies.

He attended the University of North Texas in Denton, Texas and received a bachelor’s degree in Music Performance from the University at Buffalo in 2003.

He resides in Buffalo, New York.

ABOUT HWI

With more than 50 years of exceptional scientific research, HWI is an internationally-renowned independent, non-profit facility specializing in the area of fundamental biomedical research known as structural biology. HWI’s team of more than 75 staff members is committed to improving human health by studying the causes of diseases, as well as potential therapies, at their basic molecular level. HWI is located in the heart of the Buffalo Niagara Medical Campus in downtown Buffalo, New York, in a new state-of-the-art structural biology research center at 700 Ellicott Street. For more information, visit HWI’s website at www.hwi.buffalo.edu or call 716-898-8600.
