HWI WELCOMES TWO NEW BOARD MEMBERS

Anthony Pandolfi, Vice President-Wealth Management and a Portfolio Manager in the Wells Group at UBS Financial Services Inc. in Williamsville, NY, has been elected to the Hauptman-Woodward Medical Institute’s Board of Directors. Anthony is a graduate of the University at Buffalo and is certified as a CFP, CLU, ChFC and CPM. UBS is an international company providing wealth management services and a registered broker-dealer offering securities, trading, brokerage and related products and services.

Peter McCauley, President of McGard LLC, has been elected to the Hauptman-Woodward Medical Institute’s Board of Directors. McGard LLC is a manufacturer of security fasteners to the automotive sector. They employ 600 people in the US and have divisions in Germany and Japan. He has been with the company since 1987. McCauley is a graduate of the University of Richmond. He and his wife Rebecca have 2 children and reside in Orchard Park.

Founded in Buffalo in 1956, the Hauptman-Woodward Medical Research Institute is an internationally-renowned independent, non-profit facility specializing in the area of fundamental biomedical research known as structural biology. HWI’s team is committed to improving human health by studying the causes of diseases, as well as potential therapies, at their basic molecular level. HWI is located in the heart of the Buffalo Niagara Medical Campus in downtown Buffalo, New York, in a state-of-the-art structural biology research center at 700 Ellicott Street. For more information, visit HWI’s website at www.hwi.buffalo.edu or call 716-898-8600.
